The EHS "Cinerama Oscar" has been awarded to Superintendent Hugh Bingham for best production of the year, 1962-63. This outstanding producer graduated from Garber High School; received his A.B., B.S., and M.E. degrees from Phillips University, did graduate work at Oklahoma State University and worked toward his Ph. D. at Phillips. He began teaching in 1939 but this was interrupted by five years service in the United States Air Force. He resumed his teaching career at Garber and later served as superintendent of the Garber system for several years.

His family is composed of his wife, Ila, two sons, Sam and Gene, and daughter, Mary, who is in EHS. His special interests are golfing, fishing, and photography. He is very interested in civic work both here and at Garber.

His first impressions of Edmond were the number of churches and the community's interest in furthering desirable educational and social goals.

P R I N C I P A L

Mr. Robert Ford, the principal and director of EHS Cinerama, came to us this year from Fairfax, Oklahoma, where he was principal for five years. Mr. Ford attended Bristow High School, received his Bachelor of Arts degree at Northeastern State College, his Master of Arts degree at OSU, and coached previously at Rolla, Kansas; Henryetta and Cleveland, Oklahoma.

When Mr. Ford is not busy directing the EHS cast, he enjoys fishing, hunting, and golfing.

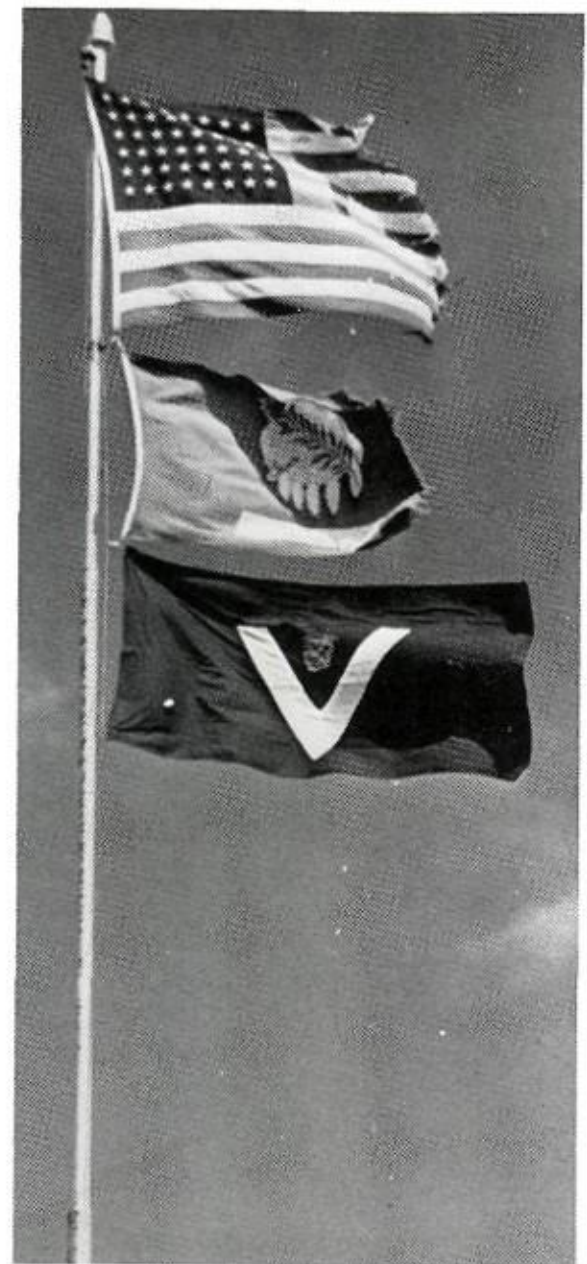

The stars of Mr. Ford's family include his wife, Pat, and three children, Debra, Martha Jean, and Robert Martin. Even though he has many activities and duties as a new principal, Mr. Ford can always be found smiling, cheerful, and ready to help.

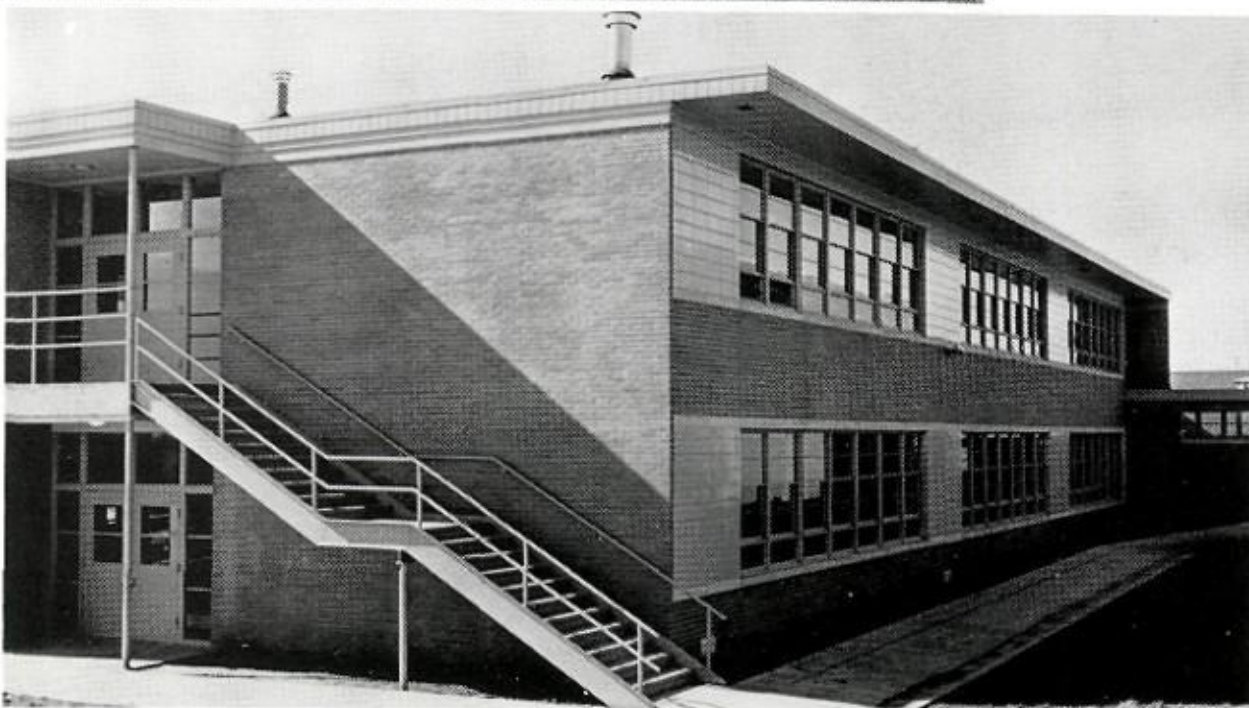

The front entrance of EHS is inviting to visitors.

The trophy case provides for many interesting displays.

Our Victory flag is a welcome sight on our flagpole.

C is for Custodian which he's been for nineteen years.
I is for his Interest as for each team he cheers.
N is for Nostalgia he feels for Edmond High.
E is for Enthusiasm as each year passes by.
R is for Responsibility he's shown in all the tasks he's had.
A is for Affection from his children to their dad.
M is for the Magic word he gives each passerby.
A is for All the things we feel for Mr. Fleming, a very great guy.

This Cinerama annual is lovingly dedicated to Mr. Ona Fleming - dedicated Baptist, raiser of fine fish, five kids, and proud grandfather of ten and great grandfather of one, devoted husband.

He's a gardener deluxe, Red Red Rose member, former farmer and fisherman. This transplanted Texan admits that he is amazed at the growth of Edmond and this year's short skirts.

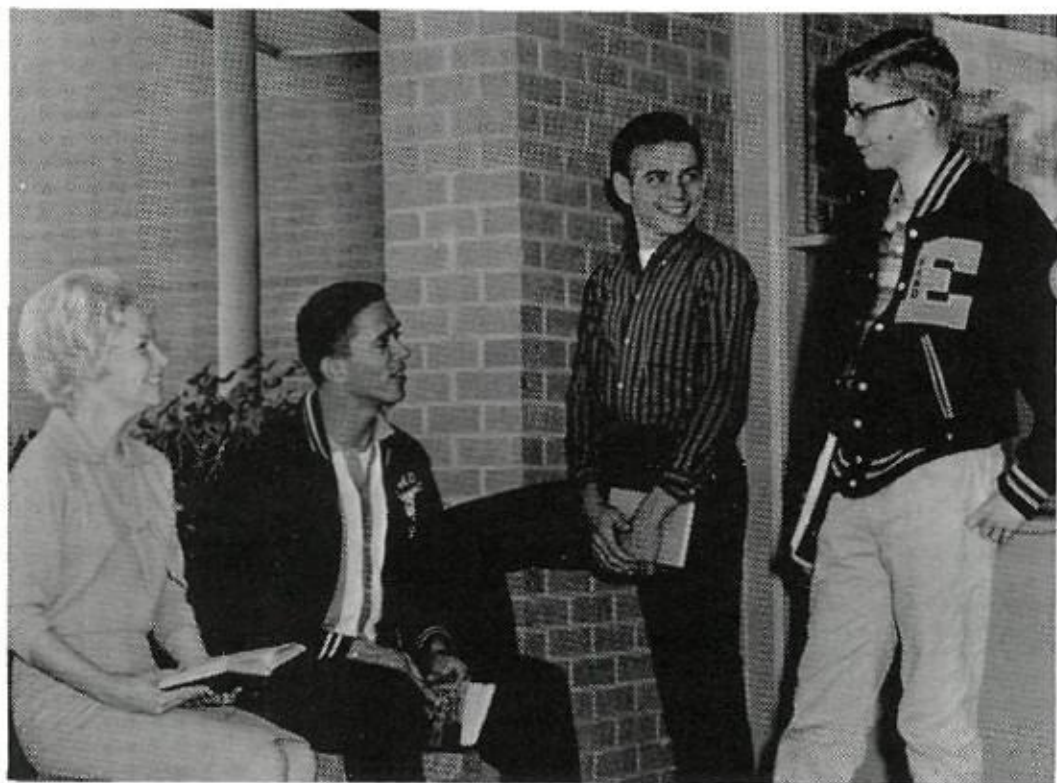

Mr. Fleming is all these things but most important of all he is the friend and father confessor of thousands of EHS graduates. This year Edmond High School salutes you, Mr. Fleming.

Robert Bass and James Deaton do some studying for the "EHS Directors."

ACTIVITIES

STUDENT COUNCIL

Right: Student Council President, Al Ruble.

Left: State Vice President of the Oklahoma Association of Student Councils, Gray Baker.

This year's Student Council was the ultimate production crew which tied together all the various activities of EHS.

The Student Council, composed of representatives from each home room and organization, met weekly to plan mixers and parties, to promote various projects, and to discuss and solve problems of everyday school life.

Representatives from the Council attended the State Convention of the Oklahoma Association of Student Councils. This year Edmond held the office of State Vice President.

The Student Council with their crew of directors and representatives has constantly worked to help Edmond High School produce the extravaganza of the century.

BULLDOG

In order to preserve for posterity in the archives of this great school, we have gathered for the largest performance, the yearbook staff. If our performance is not just letter perfect it will not be the fault of our directors and producer.

The Bulldog requires much organization, work, and patience just as any other great production. The work is hard but behind the scenes, we have fun, too.

We hope this year's Yearbook is the best production ever, and that you enjoy it as much as we have enjoyed putting it together.

The Bulldog editors; Jan Davis and Margene Montgomery, copy editor, Judy Gossett, and art director Wayne Huntman are checking the final details before sending the finished product to press.

KEY CLUB

The Key Club made its debut in the EHS spotlight this year. The purposes of this club are: to develop initiative and leadership; to provide experience in living and working together; to serve the school and community; to prepare for useful citizenship and to develop ideals in human and spiritual relationships.

The initial year of the Key Club included such activities as: volunteering for civic health and cleanup projects, welcoming stations, money making projects, banquets, parties and social events.

Sophomore, Junior, and Senior boys comprise the membership of the Club which is sponsored by the Edmond Kiwanis Club.

Señores Bill Wetmore, Joe Butler and Rick Bingham rehearse for their Cinerama debut as cantores de Español.

SPANISH CLUB

The Spanish Club has been a school organization since 1935, and is growing larger every year. This year there are approximately 30 members. The purpose of this club is to broaden the interest and understanding of the Spanish language. The members find this year more interesting by being able to make recordings of their own voices with their new recording equipment. Miss Kivelehen, the sponsor, may well be very proud of the increased interest the organization has promoted. She has been the sponsor of this club for 25 years.

If someday EHS decides to have a Spanish cinema, we will expect a great deal of able assistance from this organization.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League is an organization for both old and new students in Latin. The purpose of this club, both nationally and locally, is to increase knowledge and interest in Latin.

One of the highlights of the year was having dinner and a program at an Italian restaurant.

The members receive a pin which is an emblem of the laurel wreath and the torch of classical civilization. This part of EHS production was directed by Miss Colleen Kivelehen, who has been directing this club since it was established.

BOOKWORMS

Behind the scene, the Bookworms have done their part in helping the EHS cast. The student body always finds the Bookworms ready to help them find any article which they need.

The members of this organization have had a full, active, and interesting year. They have attended lectures, installation banquets and also the state meeting.

The Bookworms, sponsored by Mrs. Hall, are chosen by their high ideals, scholarship, and personalities.

F.H.A.

"We are the future Homemakers of America. We face the future with warm courage and high hopes . . ." and the Edmond Chapter of the F.H.A. has begun to recognize the importance of recreation and service.

With fifty-nine members, this organization holds monthly meetings and also participates in district and state meetings. Skills learned in F.H.A. are those that will be beneficial in present and future homes.

Their eight-sided emblem symbolizes the significant purposes of the organization.

The F.H.A. was under the leadership of Mrs. Ella Mae Broyles.

DEBATE

This year's Edmond High School debate squad will be involved with such issues as tariffs, quotas, underdeveloped countries, and the European Economic community.

Debating the proposition, "resolved that the United States should initiate a policy of reciprocal free trade among non-communist nations," the EHS speakers will represent their school in approximately 10 tournaments this year.

PARAMEDICAL CLUB

This year, a new organization has been added to EHS. The Paramedical Club was designed to aid those interested in entering the field of medicine. It was under the able leadership of Mr. Kirk Rice.

These future Ben Caseys gained much knowledge of medicine through trips to different hospitals and talks by prominent doctors. The Club has done much this year to further interest in medicine.

BOW WOWS

More than 150 EHS girls belong to the Bow Wows. Attending athletic events, presenting pep assemblies, buying the Lettermen's jackets from money they make in concession work, and plastering the halls and students with art work to boost school spirit are just a few of this organization's duties.

Coronations are planned and carried out by the Bow Wows.

At the close of the year the Bow Wows hold a tea, inviting their mothers and next

year's members as guests. At this tea the next year's officers and cheerleaders are announced. Hopes run high and the new core of officers get ready for a new year of activities.

New and different things have been done this year. The surprise Pep Assembly really gave everyone a big boost in spirit.

The year's schedule is a busy one for this organization whose responsibility is to stimulate school spirit.

JR. RED CROSS

In every great production there are bound to be a few accidents. The same holds true with the EHS Cinerama. It is the duty of the Jr. Red Cross to take care of these minor emergencies when they arise.

The members of the Jr. Red Cross give service to the school and to the community. They have numerous projects which include preparing baskets of food and favors for rest homes, and taking care of the first aid room.

Miss Kivlehen, the JRC sponsor, works whole-heartedly with this group as they make EHS a better place to be.

LETTERMEN'S CLUB

One of the most promising acts in the EHS Cinerama is its sports program. Part of the success of this club is due to the enthusiastic support of the Lettermen's Club.

The purposes of this club are to further school spirit and citizenship, to provide a better understanding of athletics, and to improve association among different sports groups.

The club picked up seventeen new members this year. This organization is in charge of the coke machines for a money-making project. The busy sponsors are John Schwartz and Ralph Bullard.

F.F.A.

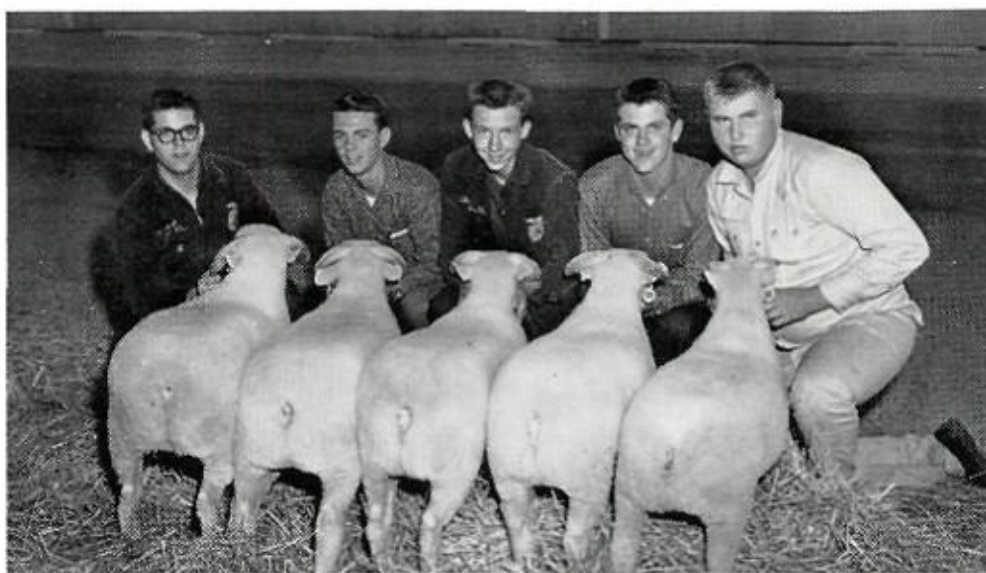

R. Martin, G. Baker, M. Smith, D. Gilpin, and B. Ashby hold the group of Dorset lambs at the Tulsa State Fair.

The Future Farmers of America and vocational agriculture first became a part of the curriculum of the Edmond High School system in July, 1948. It was started by the present advisor, Leon Duffle.

The constructive activities are for boys interested in a future in some branch of agriculture, and are planned to develop leadership, citizenship, and sportsmanship, along with the ability to carry a job through to completion.

Perhaps the success of "our chapter" is best explained by this quotation from our F.F.A. Creed.

"I believe in the Future of Farming with a faith born not of words but of deeds."

BARKER

Meeting the deadline for every issue is a major project for the Barker Staff. The eighteen members, under the skillful direction of Miss Roberta Miller, managed to capture a living picture of life at EHS. The staff has constantly strived to make this year's paper the best ever.

The money received from subscriptions was used for the improvement of the "BARKER," and toward the acquiring of a new mimeograph machine. This machine would aid greatly their hopes for a prize-winning newspaper.

The "BARKER," plays an important part in the lives of faculty and students, in that it helps to keep them well informed of the happenings around EHS.

ASSEMBLY COMMITTEE

Planning the productions at EHS has been a big job for the assembly committee this year. But, as we all agree, they have done a good job of it.

Sponsored by Mrs. Durham, the assembly committee has produced many "Academy Award" winning assemblies, such as Christmas, religious emphasis, civil defense, and Thanksgiving assemblies. We are fortunate to have this fine committee "back stage" in our EHS productions.

CHORUS

Vocal music director Mrs. Lucile Watkins.

The EHS Chorus adds a great deal to the total outcome of the production of Cinema. Background music is always needed for the finishing touches of a smooth performance. Also in the background, but not too far, is the fine director of the EHS chorus, Mrs. Lucille Watkins. This year the chorus attended contests and also gave concerts for the EHS students.

BAND

The EHS Band continues to be one of the most successful "hits" of the season. Many behind the scenes rehearsals were required to put this show on the road. Spectacular performances include football shows, concerts, and contests. Other band activities are pep band, dance band, solos, and ensembles.

The band is recognized as being one of the outstanding bands of its size. Band members took time out from their busy schedule to make an all day fun trip in the spring. The trip was financed by their annual magazine sales.

Mr. Charles Robison, band director, smiles at the success of one of EHS's largest productions.

FOOTBALL

Under the direction of the new coaches John Schwartz, Ralph Bullard, Clester Harrington, and Fred Trenary, the Bulldogs fought their way through a surprisingly successful season as the crowds roared approval. Although the Bulldogs didn't win the conference, they were headed for a tie when the upset-minded Guthrie Bluejays rallied in the second half to knock those chances sky high.

Two of the most impressive victories were scored over Blackwell and Perry.

From the first days of football camp the boys heard shouts of "Let's go, boys, it ain't for the ladies!" and that classic phrase, "Oh Yeah!"

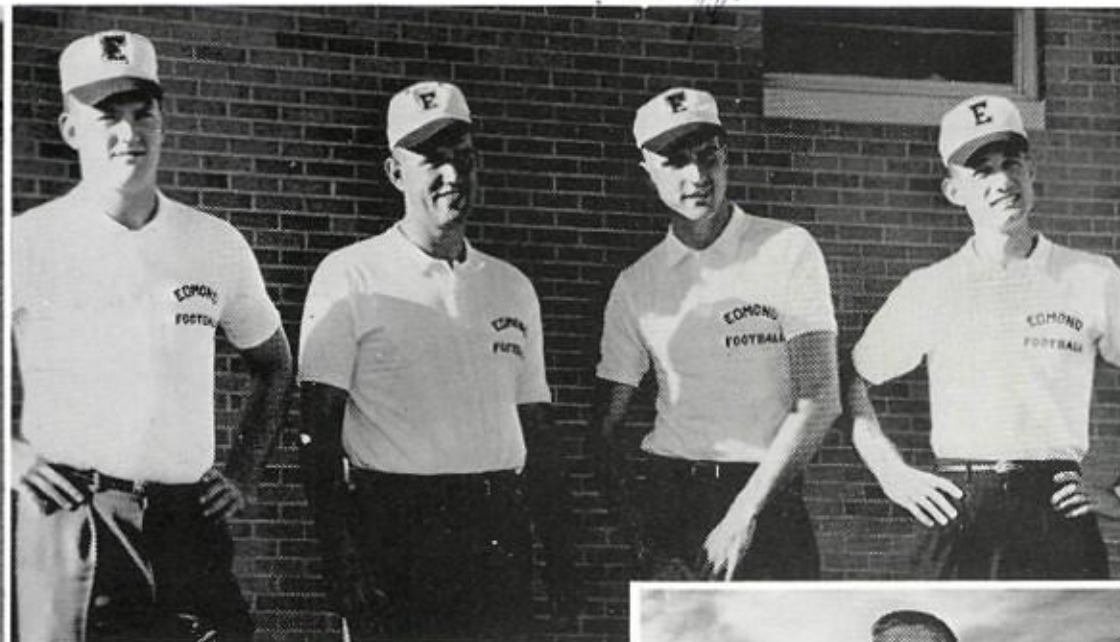

Next year the Bulldogs have high hopes of going even farther since there will be many returning lettermen.

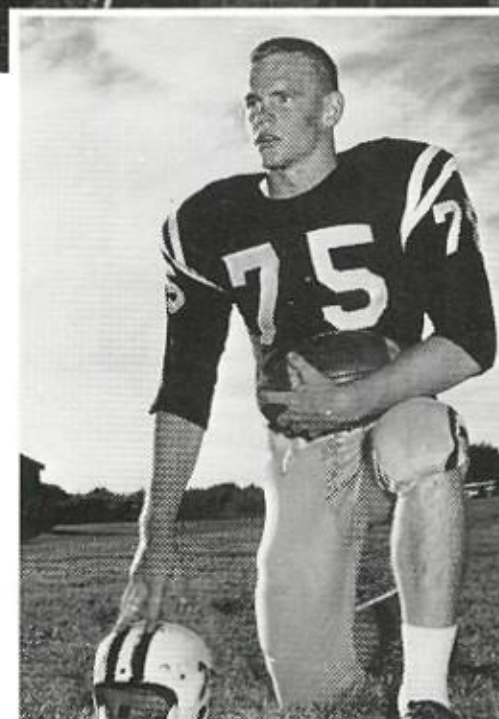

Bulldog gridders express sideline spirit during a crucial moment.

Mike Brunken and T. O. Adams fight hard to keep visiting team from scoring.

Coaches Clester Harrington, Ralph Bullard, and the boys have done a great job this year in turning out a fine seasons record. With spirit and determination, and the good sportsmanship that has been a part of our school's tradition for so many years the team fought to a fine 17 wins 6 losses record led by captain Jimmy John Steward.

The team played a large part in the sports spectacular of the EHS Cinerama.

FRESHMAN BASKETBALL

The Freshman understudies of the basketball team worked long and hard to learn their parts so that they could step into the stars' places in the future. They also had much experience in their own games where the long hours of practice and strong determination paid off. We will be watching these fast rising stars with interest in the years to come.

WRESTLING

The usual production went on in wrestling this year. The boys were going through what all stars must - rehearsing and reducing.

Coach Sherman Tyler is the prompter and spends many hours each afternoon training his boys to do their best in the matches.

Not only are the Edmond wrestlers strictly disciplined by their coaches, but they must also have a tremendous amount of self-discipline, especially when they are "pulling weight."

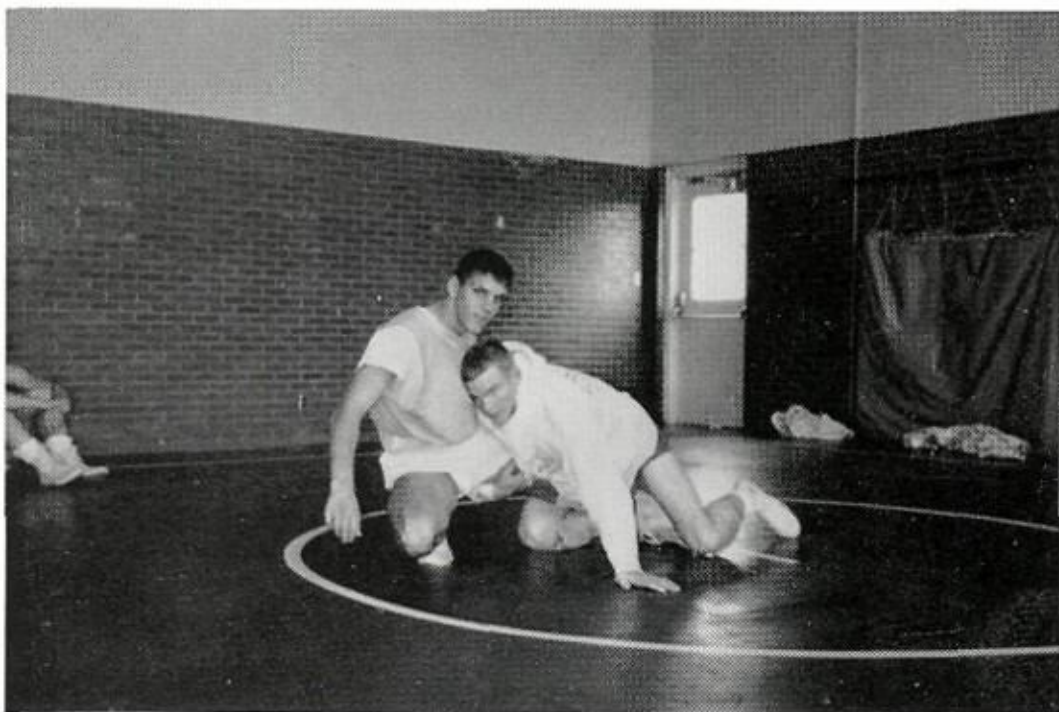

The Edmond boys took second in the Midwest City Cinerama and third in their performance at the Regional Tournament in Edmond.

FRESHMAN WRESTLING

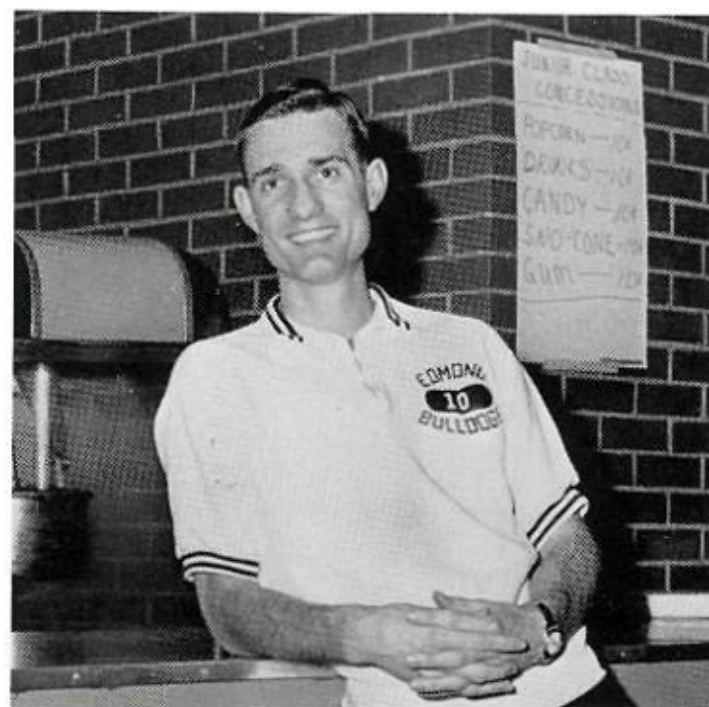

This year the Freshman Bullpups have produced a winning team under the leadership of Lloyd George. The Bullpups had a great year's showing with good sportsmanship and good conduct in all matches. These wrestlers gave a good name to EHS wherever they went. The Freshmen have worked hard and their long hours of practice have paid off. We expect a lot of good wrestling from these boys when they have a bigger role in the EHS drama.

BOTTOM ROW, left to right: Parker Sneed, Bert Richards, Bobby Smith, Ben Bare, Jerry Cleaver, Bob Ritzhaupt, Hank Dark. SECOND ROW: Tim Davis, Mike Hapgood, Johnny Murray, Jim Roberts, Ken McBride, Charles Peugh. THIRD ROW: Coach George, Sam Jarvis, Phil Hammond, Allen Garrett, Duane Thein, Bradley Bowers, Mike Goff, Jim Rhodes, Edward Thayer.

Pinto Beene shows correct form in approaching the bar.

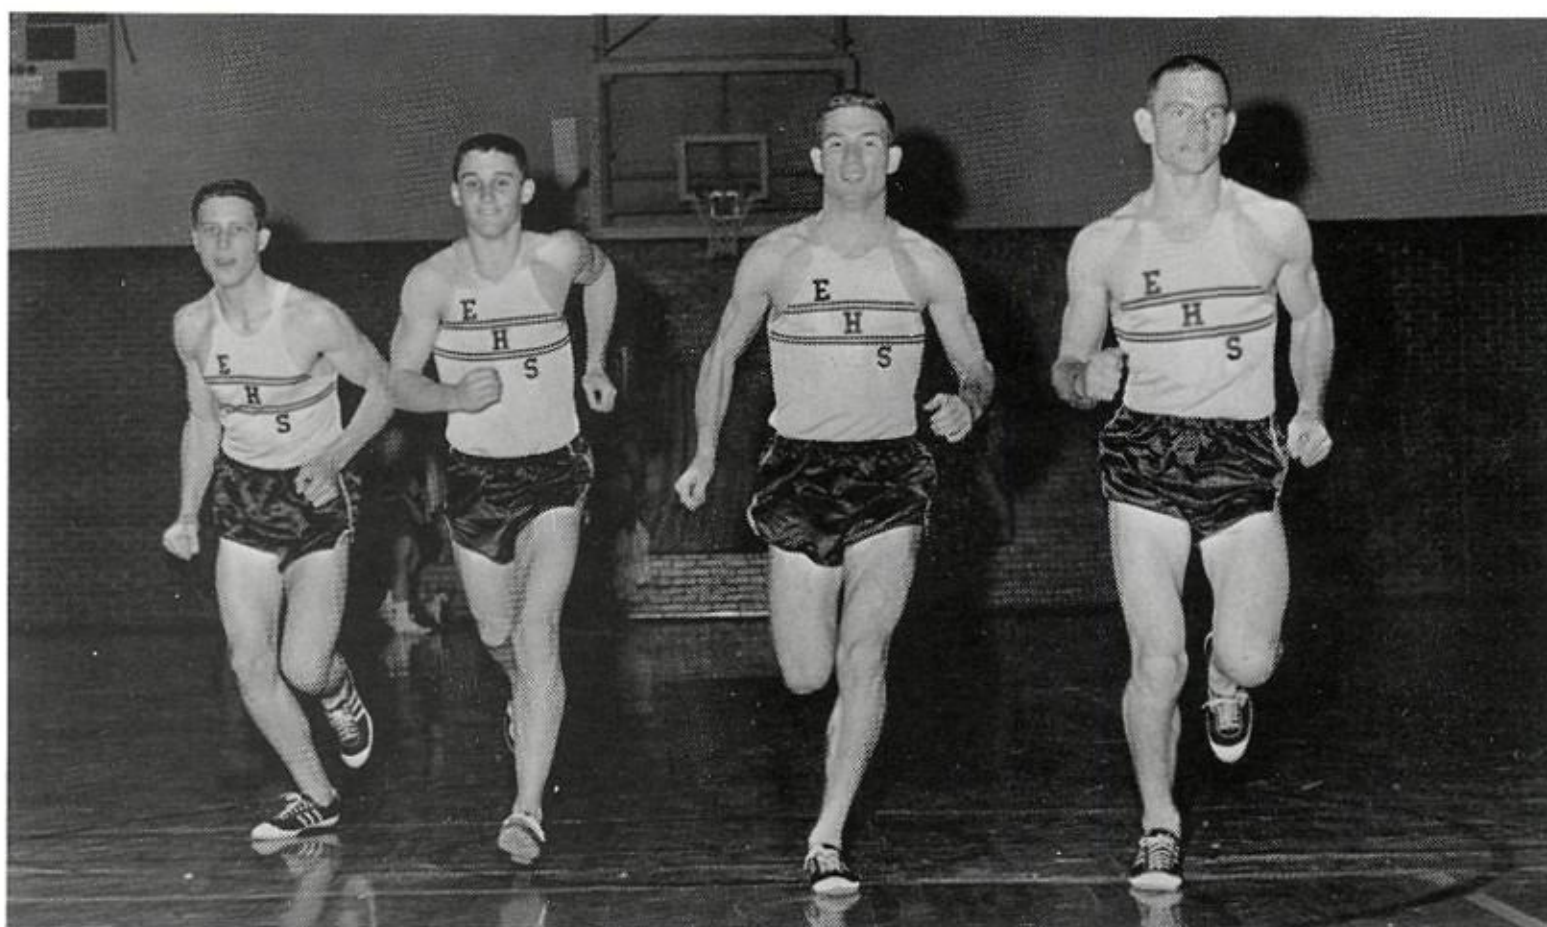

New coach with new ideas, Ralph Bullard, anticipates the season's winnings with a smile.

The EHS track team is all decked out in new costumes for this year's performance. Many groans are made about running and "getting in shape," but it all pays off when the words 'Victory for Edmond' are called at a meet. As in baseball, the track team has a late season so we can only predict a successful one for them.

TRACK

Mark Snyder, Robert Carlon, John Hill, and Roger Mickish warm up before the big race.

Eager beavers Dan Baker, Jimmy John Steward, and Bobby Doyle eagerly await the opening of the season.

Coach Schwartz looks over this season's schedule with high hopes.

BASEBALL

Brothers Eddie and Larry Collier, prospective pitchers, examine a game ball.

Under the guidance of coach John Schwartz, the Bulldog baseball team turned out for practice under the handicap of a late winter to prepare for another tough season of the popular spring sport. The boys, in their new uniforms, are the best dressed actors in the Cinerama production here at EHS. They are looking hopefully toward a fine and successful season this year.

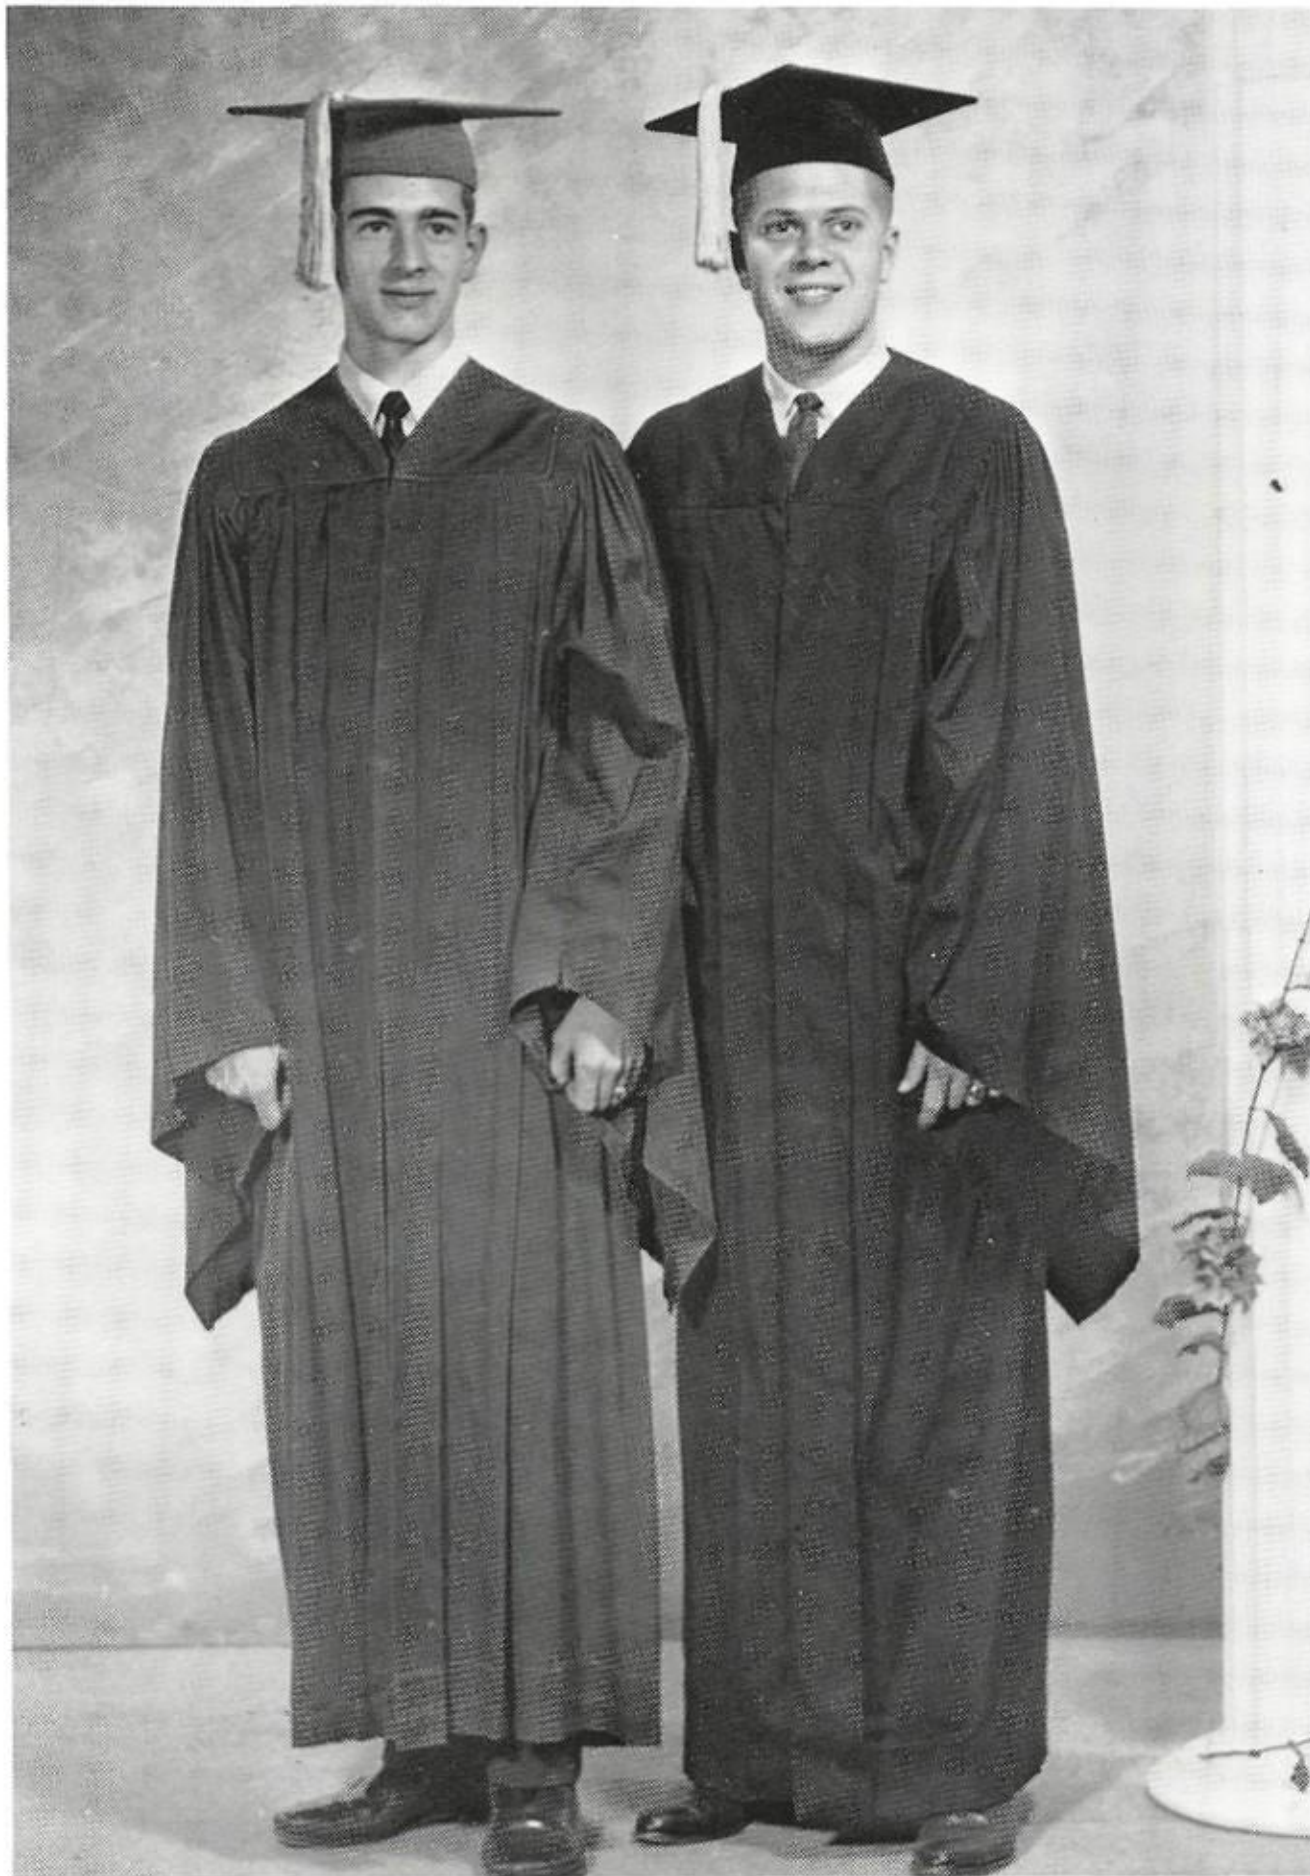

The Key Club Car Smash was a big hit for EHS students, especially Dal Ferguson.

In the fall of 1960, we scared, confused Sophomores presented ourselves on the stage of EHS. As the year progressed, we dropped many props and flubbed our lines, but were slowly becoming acquainted with the acceptable customs.

Returning the next year, well accustomed to the style and manner of Senior High, we proceeded to carve a niche for ourselves in EHS. Our Junior Year included the play *THE GIRLS IN 509* and the almost endless planning and work on our Junior-Senior banquet and prom, Hawaiian Holiday.

But now we're the top stars of the play, and are busy with time-consuming plans for the future. Eagerly, yet, reluctantly, we leave to fulfill them.

We would like to thank our sponsors for the wonderful help and encouragement that they have given us. Without them we would not have accomplished as much these past three years. And now, we say good-bye.

CLASS OFFICERS: Left to right - Sherri Gragg, Vice President; Warren Stanilla, President; Kristin Johnson, Secretary-Treasurer.

The Junior Class, having gained the title of understudies, had a feeling of superiority toward their underclassmen. At last they would begin to practice their lines in readiness to become the stars of the cast.

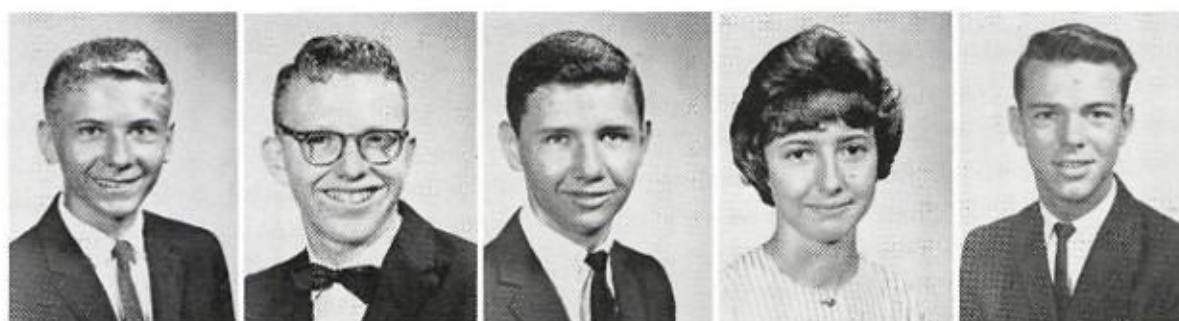

The Junior play, "The Man Who Came to Dinner," under the direction of Mr. Jack Shaw, was a major screen success. The Junior Class received their rings as "Oscars," for this production shortly before they continued their sparkling performances in the Junior-Senior Prom. In this special event they are known, not only as part of the cast, but as producers as well.

The cast is looking forward to their starring roles as Seniors of EHS in 1963-64.

In the big motion picture, which has gone on all year at EHS, the Sophomore class had a small but important walk-on line. As the drama progressed we added our part by selling Christmas cards. We took part in off-stage activities such as pep rallies, mixers, school plays, sports, our float for Homecoming, and studying for our star role in the future as Juniors and Seniors.

We, the 250 extras, have done our best to make this year a memorable one. We now realize the greatness of our tasks in the cinerama of the future.

OFFICERS: Harvey Jones, President; Julie Dubois, Secretary; Mark Makes, Vice President; Sandy Gragg, Treasurer.

Left to right: Mr. Lorenz, Mrs. Millington, Mr. Beagle, Mrs. Anderson, and Mr. Harrington; Freshman class sponsors.

Putting up the props of the Freshman Class was a hard task to conquer, but soon they were up and the "Show was on the road." The 216 Freshmen took an active part in the many activities and organizations provided for them. Much credit was due our sponsors, Mr. Harrington, Mrs. Anderson, Mr. Beagle, Mr. Lorenz, and Mrs. Millington, who were considered "our directors." Although we played a small part in the EHS Cinerama, it was a large part to us, for this was the beginning of our own cinerama.

FRESHMAN CLASS OFFICERS, left to right: Beverly Henton, Treasurer; Fred Cherry, President; Phil Thompson, Secretary; and Ken McBride, Vice President.
